Dear Sir:

YOUR YACHT - Was she damaged or lost  
in the hurricane last fall?

We have built, under the supervision  
of Major William Smyth, a cutter and a  
schooner. These boats fulfill the  
exacting standards and designs of  
William J. Roue from the office of  
Ford & Payne.

Possibly you have a friend who might  
be interested in one of these worth-  
while yachts.

We will be glad to give you further  
information upon request.

Yours very truly,

PEIRCE & KILBURN CORPORATION
